**10) WHAT SHOULD I PAY ATTENTION TO WHEN
PICKING UP THE VEHICLE?**

If You notice any apparent defect or Damage that is not described on the Rental Agreement, then You should ensure a note is made on the document and that both You and the Zeren Motors agent sign the change to it. This also applies for any apparent defect or damage on the booked accessories.

**11) WHAT PROCEDURES ARE BEING APPLIED WHEN
RETURNING THE VEHICLE?**

You should return the Vehicle to the Zeren Motors station, at the latest, on the date and at the time shown on the Rental Agreement.

**a) Return of the Vehicle during opening hours
of Zeren Motors's station**

You may return the Vehicle to another Zeren Motors station for the cost mentioned on the Recommended Tariff List, Annex 2, attached to your confirmation e-mail if you made the reservation through distance means. This document may also be consulted on spot in stations and/or on Zeren Motors website.

The Hire Period will end when You return the Vehicle to the Zeren Motors station and hand the Vehicle keys and the registration documents to a Zeren Motors agent or its representative.

Any return of the Vehicle at an earliest stage than the date and time mentioned on the Rental Agreement shall not give rise to any reimbursement.

When You do return the Vehicle to Zeren Motors You must take the opportunity to inspect the Vehicle together with the Zeren Motors agent or its representative and countersign a Vehicle restitution damage report.

On your request Zeren Motors shall give You a signed document where Zeren Motors declares that the Vehicle was regularly returned to Zeren Motors.

Zeren Motors cannot be held liable for eventual property and/or objects You may have forgotten in the Vehicle, unless You can prove that the property and/or objects were missed in the area of responsibility of Zeren Motors.

b) "Out-of-hours" return Service

Zeren Motors recommends returning the Vehicle during opening hours of its stations. However, to meet the specific needs of some of its clients, Zeren Motors offers, in certain stations, an additional "out-of-hours" service. You can find the Zeren Motors 24h stations and stations with extended opening hours.

If You opt for this "out of hours" service, Zeren Motors is entitled to draw a Vehicle condition report without your presence and after the drop off the keys.

In particular, You are to declare any incident and/or Damage that affects the conditions of the Vehicle on the document that you can find in the vehicle documents folder in the glove box of the vehicle.

Depending on the available systems and the information that You will have received from Zeren Motors, this document must be leaved into the Vehicle or returned with the keys in the "keys drop off box" provided for that effect.

Please note that your Rental Agreement does not automatically ends when You drop off the keys: the Vehicle will remain on the parking space where You will have parked it until opening of the Zeren Motors station that will proceed to the inspection of the Vehicle and close your Rental Agreement. Therefore, Zeren Motors reminds you that you must park the Vehicle on an area provided for that purpose and in a manner so that the Vehicle is not a danger to others or hamper traffic as aimed by the Highway Code. The vehicle documents remain in the glove box of the vehicle. Providing that the Vehicle is inspected at a later stage – during opening hours of the station – Zeren Motors recommends You to take photographs of the Vehicle in order to keep evidences of the date and state of return of the Vehicle once it is parked and before the drop off of the keys.

Once the inspection is made and in case of a damage, Zeren Motors will inform you about this.

Zeren Motors cannot be held liable for eventual property and/or objects You may have forgotten in the Vehicle, unless You can prove that the property and/or objects were missed in the area of responsibility of Zeren Motors.

c) Return of the Vehicle without your presence and during opening hours of Zeren Motors's stations.

If you are unable and/or refuse to inspect the Vehicle together with the Zeren Motors agent or its representative, Zeren Motors is authorized to inspect the Vehicle itself without your presence and to register your refusal of a contradictory inventory.

The same Procedure as the one described above will applied (See 11°-b)).

d) Late return of the Vehicle

In the case that the Vehicle is not returned on the date shown on the Rental Agreement, and if You do not inform Zeren Motors immediately about the delay in its return, Zeren Motors shall regard the Vehicle as having been unlawfully appropriated and will be entitled to report this to the competent local authorities. In that case, the Zeren Motors has the right to apply the self-help institute and, without Your prior consent, independently and without delay take possession of the Vehicle. In order to take possession of the Vehicle, Zeren Motors has the right to hire third parties, legal entities and individuals. All costs of hiring third parties are borne by You, so Zeren Motors will re-invoice these costs to You. When taking over the vehicle, a record will be made that will be signed by 3 representatives of the Zeren Motors. The record will state the condition of the vehicle, as well as the movable items found in the vehicle, with their photos, about which Zeren Motors will inform You without delay, in order for You to come to the Zeren Motors's premises and take over found items. If You do not take over found items within 10 days from the date of receipt of the Zeren Motors's notification, Zeren Motors is not obliged to keep those things further and has the right to destroy them. You agree that the report made unilaterally by the Zeren Motors will be a valid proof of the condition of the vehicle and all other circumstances related to the return of the rented vehicle, even though that report was made unilaterally by the Zeren Motors, bearing in mind that the record was made unilaterally because You have not fulfilled Your contractual obligation to return the rented vehicle.

In such case Zeren Motors will be entitled to charge You an additional day for each rental day at the rental tariff in effect; unless You can demonstrate that You have no longer the disposal of the Vehicle through no fault of your own or that

the non-restitution of the Vehicle resulted through no fault of Your own; and claim to You all the damages and losses suffered by Zeren Motors and all the fines, tolls, penalties or sanctions that falls on the Vehicle as a result of demands issued to it by public administrations for the purpose of identifying the perpetrator or clarifying other circumstances relating to a breach or criminal offence.

Zeren Motors will also be entitled to start legal proceedings in order to claim the immediate return of the Vehicle. In such case, protections and additional contractual services would have no effect.

12) DAMAGES TO THE VEHICLE

In case of differences between the state of the Vehicle as described upon check out and the one identified upon

return, You may pay the amount as defined below if You or the driver have caused the damage culpably.

a) Damages identified upon return of the Vehicle and in Your presence

If some damages are identified upon return of the Vehicle when the inspection made, in your presence and in the presence of the Zeren Motors agent or its representative, and if You acknowledge the damages by signing the statement of return of the Vehicle, the following provisions apply depending on the extent of the damage:

- Light Damage, minor insubstantial damage caused to the Vehicle without altering its delivery to the rental and permitting its movement in accordance with the provisions of the Highway Code (such as, for instance, without being exhaustive: light impacts on windshield and missing parts) are charged according to the Recommended Zeren Motors damage price list (available in any Zeren Motors station and on our website).
- Any other damage not included in the above mentioned Recommended price list and/or other more Serious Damage (substantial Damage impairing the delivery of the Vehicle rentals and requiring its temporary immobilization for repair such as, for instance, without being exhaustive: damages bodywork) will be evaluated by an independent expert and charged according to the expert's report or a cost estimation made with an independent auto- repair garage. If You contest Damages and their invoicing by refusing to sign the statement of return of the Vehicle, Zeren Motors will apply the procedure described below (see article 12)-b).

b) Damages identified in case of an out of hours return and without your presence.

If Damages are identified during the inspection of the Vehicle by a Zeren Motors Agent or its representative without your presence, Zeren Motors will send to you the following documents:

- statement of return of the Vehicle describing all Damages identified
- pictures of Damages
- An estimate (quote) of the costs of repair that will vary depending of the nature of the Damage (see above, article 12)-a) paragraph 2) and administration fees for the treatment of the Damage and the Vehicle immobilization.

You will be able to challenge Damages identified and their invoicing within 14 days after the sending (by e-mail or regular letter) of the documents.

If You fail challenging or justifying within the above mentioned period of 14 days, Zeren Motors reserves the right to invoice You the cost of repair identified if you and/or the renter have caused the damage culpably.

Zeren Motors reserves the right to exclude Renter and/or Driver if they have caused an extraordinary number of damages.

c) Damages identified after the vehicle return

Zeren Motors has a right to perform the subsequent vehicle inspection, after car is returned to the station, which includes all the mechanical parts of the vehicle, without the presence of You/Renter, as the mechanical functionality of the vehicle can be inspected only while driving the vehicle.
